## Capability Statement

### *CORPORATE SUMMARY:*

Home Life Help Services, LLC (HLHS) is an organization that provides **non-emergency medical Transportation services**. We specialize in providing safe, reliable, on-time transportation services for wheelchair and ambulatory clients throughout Maryland, primarily in the counties between Baltimore, Md. and Washington DC. We are committed to prompt, courteous, yet affordable transportation services to/from doctors' offices, hospitals, nursing homes, assisted living facilities, rehabilitation centers, MRI centers, dialysis care centers as well as healthcare networks that coordinate non-emergency medical transportation to best meet the needs of their clients. We provide the same for any individual or family that requires transportation and seeks personal attention as well. We are looking to expand into the delivery of medications, medical supplies and DME equipment. We are also providing airport shuttle services, especially for wheelchair passengers.
